EXECUTIVE SUMMARY

Motivated and enthusiastic IT graduate with knowledge in programming (Python, PHP, VB.NET), web development (HTML, CSS, Flask), and database management (SQL). Skilled in working with hardware platforms like Arduino and experienced in creative tools such as Adobe Photoshop. Adept at applying prompt engineering techniques and eager to contribute to software development projects while continuously learning new technologies.

EDUCATION

Government Arts College (Autonomous), Salem-7 — Master of Computer Applications (MCA)

Sep 2024 – Present

Currently pursuing MCA with a CGPA of **8.5** (till date).

Government Arts College (Autonomous), Salem-7 — Bachelor of Computer Applications (BCA)

Aug 2021 – Apr 2024

Graduated with a CGPA of **7.4**.

PROJECTS

Mini Social Media Platform — Web Application

Developed a basic social media platform with features for user interaction using **HTML, CSS, Bootstrap, Flask, and MySQL**.

4-in-1 Home Automation System — IoT Project

Designed a system using **Arduino** to control a water pump for plants, manage lighting, provide gas leakage alerts, and detect rainfall.

Time Table Generator — Prompt Engineering Project

Completed a timetable generator for college departments, fully built using **Prompt Engineering** on **HTML, CSS, Bootstrap, PHP, and MySQL**.

STRENGTHS

Strong problem-solving ability and logical thinking

Quick learner with adaptability to new technologies

Team-oriented with good collaboration skills

Innovative mindset with interest in AI, web, and IoT application

TECHNICAL SKILLS

Programming & Scripting: Python, PHP, VB.NET

Web Development & Frameworks: HTML, CSS, Flask

Database Management: SQL (queries, data handling)

Hardware & Tools: Arduino

Other Skills: Prompt Engineering, Adobe Photoshop

CERTIFICATIONS

Python Programming from Scratch – Tutorialspoint (Online Course)

SQL Course – Tutorialspoint (Online Course)

Fundamentals of Digital Marketing – Google Digital Unlocked (Online Course)

SEMINARS & WORKSHOPS

Attended **National Workshop on Generative AI: Solving and Resolving the Future**

Attended Seminar on **Build and Explore AI Agents on the Intelligent Cloud**

Attended Seminar on **Embedded System Programming**

LANGUAGES

Tamil — Native / Mother English — Read, Write & Speak
